Microsoft Teams

BARCO

# ClickShare Hub kits: modular video conferencing room system

Start your meeting effortlessly.

Begin with a single tap on the ClickShare Control Panel and wirelessly share content using the next-generation ClickShare Button.

Easy for participants, simple for IT.  
Participants enjoy smooth, hybrid collaboration.  
IT managers benefit from easy integration and  
enterprise-grade security.

What's included:

- Base Unit
- Control Panel
- 1 or 2 ClickShare Buttons

As a Microsoft Teams Room component,  
ClickShare Hub works seamlessly with  
certified devices such as video bars,  
cameras, and speakers.

## Empowers you

### Freedom to present, anywhere

Move and share from anywhere via the new-gen Button or the ClickShare Desktop App.

### Truly see everyone, no matter their location

Dual display and ultrawide screen keep all participants and content visible.

### Work your way

Supports BYOD, no-laptop setups, scheduled, or impromptu meetings

## Built around you

### Flexibility and ease of use

A flexible, customizable, and modular solution to meet the needs of all employees.

### Guest friendly

Easy and quick sharing via next-gen Button or USB-C DisplayPort™ with broad OS compatibility.

## Makes your life easy

### Easy integration

Native Microsoft Teams Rooms and works with existing company systems.

### Effortless hybrid meetings

Join video calls with a tap on the Control Panel and share content wirelessly with the next-gen Button.

### No need for training

Intuitive and user-friendly by design.

## Has you covered

### Secure & compliant

Enterprise-grade encryption and ISO/IEC certified.

### Always up to date

Free updates, Microsoft enhancements, and 3-year warranty.

### Eco-smart

A+ Barco Eco Label. High performance, low carbon footprint.

### Easy management

Monitor and optimize rooms with XMS Cloud.
